Free Event for Contractors Join us on May 21st

The South Bay Environmental Services Center (SBESC) invites participating Energy Upgrade California (EUC) contractors to meet homeowners at our Energy Upgrade California booth at the following FREE event:

Water & Energy Smart Expo
Saturday, May 21, 2011
9 a.m. to 12 p.m.
Edward C. Little Water Recycling Facility
1935 S. Hughes Way, El Segundo 90245

SBESC is joining with West Basin Municipal Water District, Southern California Edison and others to provide this FREE opportunity to discuss Energy Upgrade California program of basic, advanced and enhanced packages for homeowners interested in upgrading their homes.

The South Bay Environmental Services Center is a part of the South Bay Cities Council of Governments, an association of 16 local governments in the South Bay. We work with Southern California Edison, the Southern California Gas Company, and the County of Los Angeles to promote EUC. **The South Bay Environmental Services Center also serves as Los Angeles County's official EUC Call Center, assisting homeowners across the county with questions about the program and explaining how to find a participating contractor.**

Please call our office at 310 371-7222 or e-mail marilyn@sbesc.com to let me know whether you plan to join us. Feel free to contact me if you have any questions.

Hope to See You May 21st
